GitHub

STRENGTHS

🕐 **Time management**
Prioritizes essential tasks so they are not rushed. Sets deadlines that ensure reaching milestones on time.

⚙ **Adaptability**
I remember that change is not personal and is inevitable. I break my projects into multiple parts so that if something goes wrong, I can quickly fix it.

🧠 **Accountability**
I take ownership of my mistakes. By doing that I learn what I did wrong so that it does not happen again.
